

## Reading Recruitment Posters

Compare and contrast these four primary source recruitment posters. Two of the posters are from World War I (US involvement, 1917-1918), and the other two are from the 1970s.

Analyze the sources and consider how Navy recruitment changed over the years.

Primary Source	Who is the target audience? Race, Gender, Religion?	Does the poster encourage a diverse group of people to apply?	What does the poster imply?
